Certifications & Declaration of Conformity

All regulatory certifications, type and country approvals are applied to the new variants, with a complete match to the existing version of the Kin to Kin T200.

Customer Impact of Change and recommended Action

Trackunit has taken outmost care to ensure full compatibility to the existing versions of the Kin, while ensuring that all product functionality, performance, and durability remain.

There is no customer impact since there is no change in form, fit, function, quality and safety of the new Kin T200 product variants.

Monitoring Services

Please be aware that all monitoring services on existing deployed of Kin will continue and are not part of this announcement.

Schedule of change

Product End of Sale for Kin is effective from 1st of October 2025.

Product Kin T200 replacement is effective by 1st of September 2025.
